

## Administrative Fee Schedule

An administrative fee will be assessed to all applicable funds held at the Foundation. The administrative fee will be determined and paid quarterly, based upon the balance in any such applicable fund on the first day of each calendar quarter.

The Greater Alliance Foundation offers a charitable fund fee structure that is both cost-effective and supports our best-in-class services to donors and our philanthropic impact in the community.

Our tiered fee structure, charting a different fee for each tier, refers to price-break points. We pride ourselves on providing personalized guidance educating and connecting donors to community needs they care about and leading on local issues of importance.

First \$1,000,000	1% or 100 basis points
Next \$1,000,000	.75% or 75 basis points
Remaining Balance	.50% or 50 basis points
