SUMMERTIME 2026 ENRICHMENT

The Greater Alliance Foundation is pleased to have invested in increased summer programming in our community this year. We are calling it the Free Summer Family Enrichment Series. From free swim lessons to free theater performances, we hope everyone finds something to do this summer. We look forward to seeing families enjoy all that our partner organizations are offering in honor of America's 250th birthday.

Have a safe and enriching summer!

NOTE: This calendar provides a selection of events happening in our community and is not an exhaustive list. Every effort has been made to include a variety of activities; however, if an event is not listed, it was not an intentional omission. We encourage readers to check with local organizations and event hosts for additional happenings and the most up-to-date information.

*Happy
250th
Birthday
America!*
